

TF-MB-12 Information about risks and warnings

The medicine cups are only meant for single use.

If the medicine cups are reused following risks are identified by us - the manufacturer of the product:

1. That medicine is mixed and interacts, risk of cross contamination
2. Wrong dispensing of medicine/interaction between medicin types

Safe disposal of the medicine cups can be disposed with normal waste, as it is made from Poly Propylene (PP)

VERSION Date	Revision made	Responsible
Vers. 1.0 2023.05.03	Document created	Rikke Nygaard
